

National League: FIG A

Compulsory Routine

The FIG World A routine at the time of the competition will be used. In October 2007, this comprised:

Any ten different elements of at least 270° somersault rotation

Tariff is awarded for two of these moves which must be marked and the tariff recorded on the tariff sheet.

Promotion and Relegation

Promotion and relegation are subject to the same rules as for National C.

There is no tariff limit at FIG A. The routines should be prepared in simulation competition in club, to a form standard of at least 8.2 (compulsory) and 7.8 (voluntary) before use in FIG A competition.
